Procedures and important notes of application

1. Please duly fill out this Table and place it at the Security Check Office of Coast Guard Administration at the port of your embarkation before your departure with your yacht. In the event that the yacht navigated by you does not return as scheduled, we will immediately inform all entities concerned to watch or to help locate your yacht. In the event that the yacht you navigate call another destination for any reason, or you stay at sea overdue even you are safe and sound, please report to the Security Check Office at the port of your embarkation or the coastal broadcasting station nearest to you (This Form is available from Coast Guard Administration website http://www.cga.gov.tw/CSW/CSW_02.asp Please feel free to download to meet your needs)
2. In triplicate：
   Slip 1: To be archived at Inspection Office of embarkation.
   Slip 2: To be carried on board ready for inspection.
   Slip 3: To be archived at Inspection Office of disembarkation.
